

Cookie Policy

What is a cookie?

Browser cookies:

Cookies are pieces of information that a Web site puts on your navigation device when you visit a page. They may involve the transmission of information between the website and your device, and between it and other sites that operate on our own or in private, as established in the respective Privacy Policy. We may use cookies to gather the information we collect about you. You can choose to be notified whenever a cookie is sent or to disable cookies by changing your browser settings. By disabling cookies, however, some of our services may not function properly and you can not access a variety of features designed to optimize your browsing experience on the site. For more information on managing or disabling browser cookies, see the last section of this Policy on cookies. We use various types of cookies with different functions. For more information about cookies and their general duties, visit a Web site informative as allaboutcookies.org.

Flash cookies:

Our promoters and external service providers can use local shared objects, called Flash cookies to collect and store information. Flash cookies are different from browser cookies in terms of volume, type and mode of data storage. Management tools available in your browser cookie can not remove Flash cookies. For more information on how to disable Flash cookies, see the last section of this document on the rules of cookies.

Flash cookies are disabled, however, some of our services may not function properly and you can not access a variety of features designed to optimize your browsing experience on the site.

What are the types of cookies that may be used?

The cookies that may be used on our website within the four categories described below. These descriptions can help you determine how you want to interact with our Web sites and other online services.

1. Cookie strictly necessary

These cookies are essential to be able to surf the Web and use certain features. Without cookies are strictly necessary, the online services you have requested, such as the shopping cart or an invoice to the validation of a purchase, they can not be provided.

It is not necessary to provide consent for cookies are strictly necessary, since they are essential to ensure the services required.

2. Cookies for performance

It is possible that from our side (or service providers acting on our behalf) are put cookies to performance in your navigation device. The information collected by cookies is used solely for the performance by us or on our behalf.

Cookies for performance collect anonymous information about the way in which users use the Web site and its various features. For example, our cookies to collect performance information on the pages of the site you visit most often and our advertising that appear on other websites with which to interact, as well as checking if you open and read communications that you send and receive if error messages. The information collected can be used to customize your online experience showing specific contents. Cookies for benefits also serve to limit the number of views of the same advertisement. Our cookies do not collect information for the performance of a personal nature.

A link to our Cookie Policy is available at the bottom of each page of this website. By continuing to use this website and its functionality, you authorize us (and advertisers outside of this Web site) to include cookies for performance in your navigation device.

To delete or manage cookies for performance, see the last section of this Policy on cookies.

3. Cookies for functionality

It is possible that from our side (or service providers acting on our behalf) are put cookies to function in your navigation device. We do not share information collected through cookies to function with our advertisers or third parties.

These cookies are used to store the choices you make (language preference, country or other online settings) and to provide custom features or optimized you selected. Cookies for features can be used to provide online services or to prevent you from being offered services you have rejected in the past.

In some cases, we can allow advertisers or third parties to provide content and other experiences online through our Web site. In this case, the third party in question may place their own cookies to function in your device and use them in a way similar to us, in order to provide custom functionality and optimize your user experience. Selecting options and custom settings or enhanced functionality, authorizes the use by us (and others) for cookie functionality necessary to provide these experiences. Deleting Cookies for functionality, preferences or settings will not be stored for future visits.

4. Cookies promotional or targeting

Targeted advertising managed by third parties

Cookies targeted advertising run by third parties may be stored on the user's device to third-party advertisers, ad networks, data exchange services and marketing analysis and other service providers. The cookies for targeted advertising managed by third parties collect information about the user's browsing on various websites and online services in order to display relevant ads on Web sites and on-line services and our third party. Ad networks can share this information with advertisers using their network. The information gathered using these cookies for targeted advertising managed by third parties do not personally identify the user.

Our targeted promotion

Our cookies are placed in your targeted promotional navigation device from us (or by service providers acting on our behalf).

We can use these cookies on our web sites and in connection with our content and advertisements displayed on websites and online services of third parties, in order to confirm your interaction with our content and promotions or to show ads of products that we think They may interest you.

Cookies targeted promotional collect anonymous information.
